

## Shanghai United International School Hongqiao - Gubei Campus

*HQ-Gubei offer an opportunity to enter a continuum of education from Primary through to the end of Secondary to prepare our children for placements in the very best universities in the world.*

### Dear Parents of EMW Primary,

We warmly welcome back all returning families and extend our welcome to our new joiners to the 2021-22 school year at SUIS Hongqiao. Our school year has started off successfully and smoothly with help from our teachers, parents and administrative team, who made sure, amidst epidemic prevention guidelines, that students could enter campus safely and calmly.

We thank parents for supporting our start of year by sending in relevant health and travel codes to our homeroom teachers. The efficiency was noted by everyone. Our newsletter is sent to parents every few weeks throughout the school year. Please watch for it and be sure to read up on what is happening on campus.

We hope to have larger groups of parents coming on campus in the coming months, once we have approval to do so safely. We look forward to an exciting year ahead of all of our students and teachers!

We wish everyone a lovely Mid-Autumn Festival with your families and loved ones.

Kind regards,

# Parent Information Evening

Parents Evening, which took place remotely on Wednesday 8<sup>th</sup> September, was an informative night for our parents, but most importantly a moment for parents to meet the homeroom teachers of their children. We hope to set up opportunities in the coming months for parents to be on campus. We will be monitoring the epidemic situation closely to assess when we can do that.

# Grade 1 Orientation

On 31st of August, we welcomed our new Grade 1 students onto campus for a short orientation into life in Grade 1. Students were able to meet their teachers and classmates, take part in activities and work together in teams. It was a lovely morning and we were happy to see the smiles on students faces as they begin primary education.
